From: Body of Christ Church Calapandayan, Subic

Subject: Request for Use of Covered Court at Barangay Calapacuan (Sta. Elena)

Greetings in the Name of our Lord Jesus Christ!

We hope this letter finds you well. We are writing to respectfully request your approval for the use of the covered court on May 27 & 31 (Tuesday and Saturday) from 6:00 PM to 9:30 PM, for the annual Summer League of Body of Christ Church.

This yearly event serves as a meaningful opportunity for our youth and young professionals to engage in fellowship through sports. It not only promotes physical wellness but also strengthens community ties and spiritual growth among participants.

In line with this, we would also like to humbly request your support for the use of electricity during the said dates and times. This would greatly help us in ensuring the success and safety of the event, especially during the evening activities.

We would greatly appreciate your support in granting us the use of the venue and the necessary electrical provisions. Your generosity has consistently been a blessing to our ministry, and we are deeply thankful for the positive impact your institution has had on our community.

Thank you very much for your kind consideration. May our Lord continue to bless you and your institution abundantly.

Sincerely,

Marvin D. Dayandante
BCC Church Leader
